Spring Greetings Members!

First a reminder that the election for seats on the Board of Directors will be held in June. Four seats are available. Anyone interested can pick up an Application to run for the Board at the Front Desk on Monday, April 3rd. Candidates for the Board must be members in good standing (current dues paid), fill out the Application and turn into the office by the first Monday in May (May 1st).

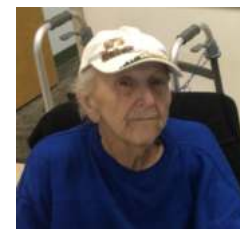

As we enter into the most active period for our Center where the bulk of our events, programs, fundraising, and our highest numbers of participants occurs (May through December) it is the time for all members to consider volunteering. There are many opportunities – small or large – in a variety of interests, levels, and time commitment. All contribute to the success of our Center. Volunteering is not only vital to our ability to function it is THE best way for members to meet new people and make friends with others who have similar interests and a common goal of being part of a vibrant Center.

A list of our volunteer opportunities are available by asking our Director– Rita. Please feel free to ask questions about anything we do, to our staff, seasoned members, or any of the Board –we all love to tell you how great it is to be a volunteer.

Have a great April!

Meet Lorraine Moulton our "Volunteer of the Month"

Lorraine will be celebrating her 89th birthday on April 16th. Lorraine amazes us with all that she does for our Senior Center. Lorraine has been a WOCAM member since 2004. She wears many hats here at the Senior Center— she is an employee and a tireless volunteer. Lorraine is also a Board of Directors Member, and she sits behind the Reception Desk daily to greet our Members and visitors. Lorraine also heads up our Clynk Program which raised over \$6,000 last year. Additionally, she runs the "100 Club" which brings in approximately thousands of dollars annually for our Center. **Happy upcoming Birthday Lorraine!** And, thank you for all you have done and continue to do for WOCAM each and every day...

Message from Jennifer & Torrey Sylvester-When we first came to town my husband visited the Center before me and was greeted by this tough olde bird who identified herself as Lorraine. Somehow, they hit it off. I suspect it was because he teased her about her ballcap. Ever since then she has called him trouble. "Here comes trouble," she'd say. Then the pandemic hit, and the center had to change its way of serving the members. I got involved and marveled at Lorraine's knowledge of who was who, who drove what car, when each person was arriving to pick up their food or whatever. That was no small task. She had her finger on it all and I learned that she had been doing this long before Covid and knew everyone and they knew her. This is such a valuable asset at the front desk. She will have a hard time hearing you but take a moment to thank her for her devotion to our Center.
