Then She Was Gone - Lisa Jewell

"It's been ten years since her daughter disappeared, seven years since her marriage ended, and only months since the last clue in Ellie's case was unearthed. So when she meets a man in a cafe, she's soon meeting his daughters--and one of them takes Laurel's breath away because looking at her is like looking at Ellie."

We all know that 2020 was a real challenge for the Wells Ogunquit Senior Center. We've been fortunate to have had some very generous local donors to help us through.

Of course we can't always depend upon such gracious generosity from the community. The Center is a nonprofit organization that does not get any outside funding, and so we need to support ourselves through ambitious fundraising. This year, the Center is planning to host what we hope will become an annual Golf Tournament. As you probably know, this type of event has the potential to be a major fundraiser for an organization such as ours. However, it is a tremendous undertaking that requires significant effort on the part of those organizing it. We are, therefore, asking for volunteers from the membership to help make this endeavor a success.

We need to put together a Committee of at least ten Members who are willing to go out into the community and get the word out to golfers, solicit sponsorships from local businesses, request donations of prizes and/or silent auction items, and then put some time in to working the event.

Please consider joining this Committee and help make this a great success.

Next meeting is scheduled for **April 1st at 3pm**
