WOCAM Board of Directors Newsletter Message for August 2021

Greetings Members and Friends!

Each year the Wells Ogunquit Senior Center holds its joint Annual Membership and Board of Directors Meeting. It is during this meeting that the open seats on the Board of Directors are voted in, and any proposed By-Laws changes are voted on. A ballot box and ballots were available for Members to vote for the candidates of their choice, as well as a referendum questions that require member feedback. Those present at the annual meeting voted to close the election, appoint 3 people to count the ballots, and the winners were announced at the meeting. This year we were excited to have had 81 people vote for the 3 open Board seats from a choice of 4 candidates. We welcome Ray Farnham and Lorraine Moulton back to the Board and Judy Vincent as a new member to the Board. Newly elected members took their seat at the Board's table and were part of unfinished business addressed at the Annual Meeting.

The referendum question whether to expand the number of people on the Board to 11 was a NO. So, we will continue with the Board of Directors consisting of 9 members. A proposal to clarify the process to expand or lessen the number of Board of Directors was discussed, voted, and passed by those in attendance at the meeting.

It is especially important that our members of the Senior Center have - AND TAKE - the opportunity to participate in the governance of our organization. Eighty-one votes is an amazing number! The Board thanks all of you who voted and especially those who put themselves out there to be candidates!

Sincerely grateful,

Kathy Chase, Chair, Ray Farnham, Vice-chair
Greg Cuzzi, George Hersom, Ann Lamberti, Lorraine Moulton,
Jennifer Sylvester, Susan Terwilliger,
Judy Vincent

11-12pm Reviewing -Townie: A Memoir – Andre Dubus, III
(Non-fiction)**

After their parents divorced in the 1970s, Andre Dubus, III and his three siblings grew up with their exhausted working mother in a depressed Massachusetts mill town saturated with drugs and everyday violence. To protect himself and those he loved, Andre started pumping iron and learned to use his fists so well that he became the kind of man who could send others to the hospital with one punch, and did. Irresistibly drawn to stand up for the underdog, he was on a fast track to getting killed—or killing someone else.
