I came across this quote and I thought I would share because I think at some point in our lives we all feel like—what's the point? Kindness Matters!!

> Your impact on other people is bigger than you think. Someone still giggles when they think of that funny thing you said.

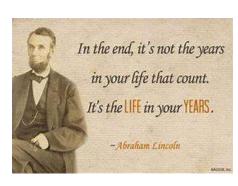

Someone still smiles when they think of the compliment you gave them. Someone silently admires you. The advice you give has made a difference for people. The support and love you've offered others has made someone's day. Your input and opinions have made someone think twice. You're not insignificant and forgotten.

Your existence makes a positive difference, whether you see it or not.

# **February Fun Facts** to ponder as we look forward to Spring.

February is a month of celebrations. It is often thought that a groundhog can reveal how much longer winter will last. This short month provides a special time to **show affection with or without a Valentine**. February is also a time to celebrate leaders, past and present; presidential or simply stalwart.

"Freezing cold winds, Biting chills, and White snow fluffed hills Valentines day, oh how gay! Presidents' Day is coming our way. February, sweet and small, greatest month of all."
