**“Redhead by the Side of the Road” –Anne Tyler.**

Micah Mortimer is a creature of habit. But one day his routines are blown apart when his woman friend (he refuses to call anyone in her late thirties a “girlfriend”) tells him she’s facing eviction, and a teenager shows up at Micah’s door claiming to be his son. An intimate look into the heart and mind of a man who finds those around him just out of reach, and a funny, joyful, deeply compassionate story about seeing the world through new eyes.
