October 2021      WOCAM Newsletter      Volume 20, Issue 10

**Thank you to all our Volunteers!!!**

Volunteering is about looking at a place that needs help and working towards finding a solution as a team. Volunteering is centered around the idea that if people get together they can make a huge difference. The idea of volunteering goes way back in history! Volunteers are seldom paid; not because they are worthless, but because they are PRICELESS! !!
