**October is recognition of Volunteers**

Our Senior Center wouldn't survive without the volunteers helping daily. Thanks to everyone that has come in during these trying times! We will be having a gathering this upcoming month— you will be notified as to when. The date hasn't been determined as of yet.

Volunteering is about looking at a place that needs help, and working towards finding a solution as a team. Volunteering is centered around the idea that if people get together, they can make a huge difference. The idea of volunteering goes way back in history!

Volunteers are seldom paid; not because they are worthless, but because they are PRICELESS! – Unknown

I am only one, but still I am one. I cannot do everything, but still I can do something; and because I cannot do everything, I will not refuse to do something that I can do. – Helen Keller

Volunteers do not necessarily have the time; they just have the heart. – Elizabeth Andrew

**Meet Cathy Gavin, Administrative Assistant at the Wells Ogunquit Senior Center**

Cathy grew up in Massachusetts where she worked in administration at a nursing shoe manufacturer, Exxon Corp., and the Seabrook Nuclear Power Plant. After moving to Maine in 1990 with her husband, Jim, and their two children, Cathy worked as

the assistant to the CFO & COO at Prime Tanning (a leather tannery), then as Office Manager at the Law Offices of Ott & Clark in York - which later grew to a five partner law firm. She was recruited to work for the CEO, COO & CFO at York Hospital, and then moved on to the Portsmouth Naval Shipyard in Kittery where she retired last January as an I.T. Specialist.

Cathy has two granddaughters (ages 5 & 7), both of whom recently toured the Center, and we were glad to learn they gave their approval.

Cathy enjoys spending lots of time with family and friends, swimming in

Quest Fitness's salt water pool, bowling (pre-pandemic), and creating online photo books.

**October**, autumn comes into full swing. Let's get in the mood! Learn why it's called October, what's happening this month, October gardening tasks, the fall baking season, the full Harvest and Hunter's Moons, folklore, and more!

**October 2020 Brings Two Full Moons**

The first full Moon of fall—in this case, the **Harvest Moon**—will appear on Thursday, October 1.

Later in the month, on Saturday, October 31 (Halloween), the second full Moon appears. This is the **Hunter's Moon**, which will be special for two reasons: it's a rare [Halloween full Moon](#) and

a [Blue Moon](#)!

**The Leaves They Are a-Changin'**

With the autumnal equinox in late September, foliage season has officially begun across much of the U.S. Did you know that the foliage color is triggered by the amount of daylight (not weather)?

**Due to COVID 19, please remember to wear face masks. We have several masks available in the lobby for a donation and always remember to wash your hands. Stay safe!**

**Lastly, please sign in when entering the Center – there is a sign in sheet at the door. Thank you!!**
